How to register for Teladoc

You can use Teladoc anywhere you have Internet access. Just:

1. Visit www.Teladoc.com and click *Set Up Account*.
2. Enter your name, date of birth, ZIP code, email address, preferred language and gender and click *Continue*. The system will identify you based on this information. If you're unable to be identified, you'll be directed to Teladoc Customer Service.
3. On the next screen, enter the required information and click *Set up my account*. Your registration is now complete!

Then, you can complete your profile by clicking on *My Medical History*. You can enter your history right after registering or you can come back to finish it later. By finishing it when you register, you'll be ready to request a consultation any time and you won't have to fill out your medical history when you're feeling sick.

If you have any questions, or run into any problems when setting up your account, call Teladoc at **1.800.TELADOC (1.800.835.2362)**.
